Your participation in our annual Poinsettia Campaign is incredibly important, and we are deeply grateful for your continued support. Since 1969, your generosity has been critical to helping us carry out our mission. This past year has been an exciting one for Children's Community School. We proudly graduated our third 8th-grade class and completed our new cafegymnasium, thanks to a combination of grants, local funders, and your generous donations. Your orders and contributions through this campaign will help sustain our efforts now more than ever. On behalf of all of us at Children's Community School, thank you for your unwavering support.
