March 20, 2020

Dear CCS Families --

For those who received meals from CCS this week, we hope it was a helpful source of support as we respond to the realities of the public health emergency. Looking forward, however, it simply does not make sense for CCS to continue in this effort. **Effective immediately, Children's Community School will suspend its meal service efforts during the ongoing school closure.** Low demand, challenges in sourcing materials, and most importantly, the safety of our community, are among the reasons we have made this decision.

We are grateful for the many ways the Greater Waterbury community is coming together during this difficult time. **All CCS students, along with all children under the age of 18, may receive breakfast and lunch through the Waterbury Public Schools meal service.** Details on the WPS meal service during closure is available here: [WPS Meal Service During School Closure](#)

We will continue to keep the entire CCS community updated on our efforts to respond and support during the coronavirus situation. We are grateful that, in the midst of this crisis, we are a community that seeks to care for one another. On behalf of all the staff and teachers at CCS, we sincerely hope you and your family are doing well and staying healthy.

Sincerely,

Jeff Martin

Executive Director
