March 24, 2020

Dear CCS Families --

I hope everyone is doing well, staying healthy, and, to the extent possible, finding opportunities for enjoyment and relaxation. Please remember to take care of yourselves during this time.

In following Governor Lamont's guidance, **Children's Community School will remain closed through, at least, April 20, 2020**. It is my hope that we will be able to return shortly after this date, but we must have the realistic possibility that closures could be extended again. Because the closure has been extended, *we will transition to Distance Learning for all K-6 students.* Students are expected to actively engage in the work being provided by teachers; details on our Distance Learning plans will be forthcoming from Ms. Katherin. Pre-K families will receive information directly from Ms. Allison.

Thank you to each and every member of the CCS family for your flexibility during this very unusual time. We continue to monitor all aspects of this situation to determine the best steps CCS can take. You will continue to hear from me, Ms. Katherin, Ms. Allison, and our teachers as we move forward in the period of closure. Once again, it is our sincere hope that you and your families are healthy and safe.

Sincerely,

Jeff Martin
Executive Director
